VACCINATION INFORMATION

For more information on vaccinations, call HealthInfo on 1300 135 030 or go to www.public.health.wa.gov.au

TRAVEL VACCINATION

See your doctor before travelling to make sure that you and your family are up to date with all your vaccinations.

You may need vaccination against hepatitis A, hepatitis B, typhoid, meningococcal disease, yellow fever or other diseases.

For more travel information go to www.smarttraveller.gov.au or call 1300 139 281 (local call cost within Australia).
